REPUBLICAN COUNTY MEETING.

LARGE ATTENDANCE AND
GOOD-FEELING.

DELEGATES INSTRUCTED FOR
JUDGE FORAKER.

Pursuant to notice a Redubican meeting was held in City Hall last Saturday afternoon, to appoint six delegates to the State Convention to be held at Columbus June 5th and 6th. There was a larger attendance than usual, showing that the Republicans of Highland are fully awake to the importance of the coming election and intend to do their duty. The fact that Judge Foraker, a Highland county boy, is likely to be the winning candidate for Governor before the convention, also had the effect no doubt, of bringing out a large number of Republicans, who feel a warm interest in his success.

Captain E. Carson was called to the Chair, and made a ringing speech expressing his confidence in a Republican victory next fall, and urging the Republicans of Highland to spare no efforts to aid in bringing about this result. H. S. Doggett was chosen Secretary.

A committee of five was then appointed to select delegates to the Convention, who reported the following:

Delegates—Hon. Alphonso Hart, Hon. J. J. Pugsley, Dr. J. L. Wilson, Capt. D. M. Barrett, Harry L. Glenn, Col. H. N. Easton.

Alternates—Capt. H. C. Dawson, Franklin Ladd, Raper Duckwall, H. H. Redkey, George Haigh, Dr. F. M. Thomas.

The report of the Committee was unanimously adopted. H. S. Doggett then offered the following resolution:

Resolved, That we are earnestly in favor of the nomination of Judge J. B. Foraker for Governor of Ohio. He is a man of spotless integrity, superior ability, and is eminent as a soldier, jurist and citizen. We hereby instruct the delegates from Highland county to support him in the Convention and to use all honorable means to secure his nomination.

The resolution was supported an short and effective speeches by Hon. A. Hart and Capt. D. M. Barrett, and was then adopted by a rising vote amid great enthusiasm.

The meeting then adjourned sine die.

The Cincinnati Commercial Gazette strongly urges the postponement of the Republican State Convention, on the ground that it is highly important the Supreme Court should render its decision on the Scott liquor law before the Convention is held. The time is now so short that there is no probability of the Court deciding the question before the 5th and 6th of June, the time fixed for holding the Convention. On the other hand, the Ohio State Journal opposes any postponement and argues that it is only necessary the Convention should endorse the principle of the Scott law, whether the law itself is constitutional or not. It seems to us the State Central Committee should be called together at once to decide the question of postponement.

The coronation of Alexander III and his wife as Emperor and Empress of Russia, took place at Moscow last Sunday amid great pomp and splendor, and contrary to the general expectation no attempt was made to assassinate the Czar but everything passed off happily amid the universal rejoicing of the people. The total expenses of the coronation amounted to over \$2,000,000.

Gen. Durbin Ward is again being urged as the Democratic candidate for Governor, but he will stand no chance against Hoadly.
